

Mississippi Impact JVC

Commitment Letter

At Mississippi Impact JVC, we believe that playing and practicing, as a team throughout the entire season is essential for the athletic development of all of the girls and their teams. That is why we ask that you be committed to Impact for the duration of the season. Fees will not be refunded if you choose to leave the program before the season has reached its' completion. Please make sure that you attend all of the scheduled tournaments. Absence from a scheduled tournament will not result in a refund of the tournament fee.

We understand that your young athletes are involved in other activities (sports, church, community involvement, etc.). In fact we encourage this. We are prepared to help those with conflicting schedules, but we have to know the circumstances up front and handle them on a case-by-case basis.

Please be assured that we are committed to excellence and strive to provide experienced coaching, fun and safe practices, as well as good friendships. Thank you for being a part of Mississippi Impact JVC.
